PROFILE SUMMARY

Software developer who builds with AI. NetSuite and Coupa automations at Zenardy cut Crunchyroll's PO-to-bill approval from 2 h to 10 min. Self-taught in LLM and agent workflows; ships web and mobile projects using AI coding agents.

WORK EXPERIENCE

Associate Developer (Technical / NetSuite Consultant)

Sep 2025 – Jun 2026

Zenardy Technologies Private Limited | Chennai, India (Hybrid) | Technical Intern Sep 2025, promoted Jan 2026

- **NetSuite automation:** Built SuiteScript 2.1 User Event scripts for Crunchyroll's PO-to-bill 3-way matching, cutting approval time from 2 hours to 10 minutes; handled change orders and multi-subsidiary tax.
- **Coupa integration:** Stopped credit memos applying to settled invoices; maintained Coupa invoice and payment sync into NetSuite GL.
- **Integrations & ledgers:** Built Filevine to Zapier to NetSuite syncs, a NetSuite to Google Sheets live GL pipeline (Apps Script, OAuth 2.0 / TBA) and client-ledger views for two law firms; triaged automation errors with AP teams via Jira.

Mechatronics Engineering Intern

Apr 2024 – Jun 2024

Titan Engineering & Automation Limited (TEAL) | Hosur, India

- Calibration, end-effector testing and cell operations on FANUC robots; PLC ladder logic and C scripts for machine diagnostics.

Coding Coordinator & Campus Leader

Aug 2022 – Mar 2024

Kongu Engineering College | Erode | Ran Nexus and Throb coding events; mentored 20+ students

KEY PROJECTS

LiveSub: Offline Live Subtitles & Translation

Oct 2026

Sherpa-ONNX, Silero VAD, Google ML Kit, Kotlin | **Code:** github.com/R-Dilipkumar/LiveSub-Offline-Translator

- Turns any audio on the device into live translated subtitles, fully on-device with nothing uploaded. Chose between speech models (SenseVoice, Moonshine, Parakeet, Whisper) by real testing.

Agent Workflows & Preflight Agent Skill

2026

LLM APIs, structured prompts, ICM, SKILL.md | **Code:** github.com/R-Dilipkumar/preflight-agent-skill

- Open-source skill that makes AI coding agents check official docs before they build and save a lesson from every bug.

ASIAN MOBA 5v5: AI-Checked Tournament Web App (prototype)

Oct 2026

React, TypeScript, Firebase, Gemini on Vertex AI | **Live:** sea-moba-tournament.web.app

- Runs a Mobile Legends tournament from sign-up to champion, with Gemini reading and checking players' stats screenshots, seeded brackets, disputes and an admin dashboard. 266 automated tests.

Net One Tap: One-Tap Mobile Network Reset

Oct 2026

Code: github.com/R-Dilipkumar/one-tap-network-reset | **Research:** r-dilipkumar.github.io/one-tap-network-reset

- Researched why airplane mode fixes slow data, then built a one-tap restart of only the mobile radio (Kotlin, Shizuku).

Also built

2023 – Present

Artisan NPR Studio: 134 offline GPU photo filters | **Code:** github.com/R-Dilipkumar/photo-art-filters-android
Also: Offline Reel Captions, Live Wallpaper Maker, DriveMate (C#, simulated devices only), IN-THRUST wall-climbing robot

TECHNICAL SKILLS

AI & LLMS: LLM APIs, agent workflows, AI coding agents, structured prompting, ICM, RAG, Hugging Face, Gemini, Sherpa-ONNX, Whisper
LANGUAGES: C (data structures), Python, JavaScript, TypeScript, Java, Kotlin, SQL
ERP & INTEGRATIONS: SuiteScript 2.1, SuiteFlow, SuiteAnalytics, RESTlets, Coupa, Zapier, Filevine, OAuth 2.0 / TBA, Apps Script, Jira
WEB, MOBILE & TOOLS: React, Firebase, Android (Jetpack Compose), Linux / WSL2, Git, GitHub
ROBOTICS & EMBEDDED: FANUC robots, Allen-Bradley PLCs, ladder logic, ESP32 / ESP8266, SolidWorks, LabVIEW

EDUCATION

B.E. Mechatronics Engineering, Kongu Engineering College (Autonomous), Erode | Anna University

2020 – 2024

CGPA 8.29 / 10, First Class with Distinction | HSC 2020: 70.3% | SSLC 2018: 87.2% (S.S.M. Lakshmi Ammal MHSS, Komarapalayam)

CERTIFICATIONS & HONORS

Certifications: GenAI, LLMs & Hugging Face Workshop (Cuvette) | AI Course (SkillVertex) | NPTEL: Java, Cloud Computing
Honors: 1st Prize, National Paper Presentation, Xion 2023 (SRM IST) | Rajya Puraskar (Governor's Award), Bharat Scouts & Guides | Top 5, college placement assessment | Regional badminton champion
